

revise several specified GISB standards to Version 1.3 while Transco was developing its new computer system. On August 6, Transco filed to incorporate the Version 1.3 standards not covered by the extension of time. On August 20 the Commission issued an order approving Transco's August 6 compliance filing and directed Transco to incorporate standards 1.4.2, 1.4.5 and 2.4.5 as Version 1.3 which were omitted in the August 6 compliance filing.

Transco states that it is serving copies of the instant filing to its affected customers and interested State Commissions.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. Transcontinental Gas Pipe Line Corporation; Notice for Limited Waiver of Tariff Provision

September 9, 1999.

Take notice that on September 2, 1999, Transcontinental Gas Pipe Line Corporation (Transco), filed a Request for Limited Waiver of Tariff, Orders and Regulations in Docket No. RP99-501-000.

Transco states that it is seeking a limited waiver of the Commission's regulations and orders, as well as a limited waiver of certain provisions of Transco's FERC Gas Tariff related to Transco's nomination, scheduling and capacity release requirements, all to the extent necessary to assist in the orderly provision of transportation services on Transco's system for the first week of

the Year 2000, and all as more fully described therein.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed on or before September 16, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. [Docket No. EL99-90-000]

City of Wichita, Kansas v. Western Resources, Inc.; Notice of Filing

September 9, 1999.

Take notice that on September 7, 1999, the City of Wichita, Kansas (Wichita) tendered for filing a "Complaint And Request For Enforcement Of Contract Terms And Cost Equalization" against Western Resources, Inc. (Western Resources). Wichita's Complaint alleges that Western Resources has priced certain affiliate power sales in a manner that is unjust, unreasonable, and unduly discriminated, and therefore unlawful under the Federal Power Act. Wichita seeks cost equalization within the Western Resources system as a remedy.

Copies of the Complaint were served, simultaneous with filing with the Commission, on Western Resources and on the Kansas Corporation Commission.

Any person desiring to be heard or to protest this filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). All such motions or protests

must be filed on or before September 27, 1999. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222) for assistance. Answers to the complaint shall also be due on or before September 27, 1999.
